3. Supervisory activities of the Board of Directors over the Executive Management:

Pursuant to the Company Charter and the internal regulations on corporate governance, the Board of Directors carries out periodic and regular supervision over the Company's Director and the Executive Management through meetings of the Board of Directors and reports as required on the implementation of strategy, the execution of the business plan, the objectives approved by the General Meeting of Shareholders, and the implementation of the Resolutions and Decisions of the Board of Directors.

Based on the reports of the Executive Management, the Board of Directors promptly provides directions and timely support to the Executive Management through the issuance of Resolutions, Decisions and Conclusions at meetings relating to the Company's production and business activities, organizational structure and other important matters falling within the authority of the Board of Directors, in accordance with the applicable laws, the Company Charter and the Company's operating regulations.

The Board of Directors coordinates with the Board of Supervisors to review reports on production and business activities, financial statements, and to supervise the implementation of the business plan targets approved by the Annual General Meeting of Shareholders.

The Board of Directors maintains a system of periodic and ad hoc reporting on the Company's business and management activities in order to provide timely directions on matters falling within the authority of the Board of Directors.

The Board of Directors supervises the disclosure of information in order to safeguard the rights and interests of shareholders and ensure transparency in the Company's corporate governance.

4. Activities of Subcommittees under the Board of Directors (if any): *None*
